

ALIVE IN CHRIST

JUNE 2025 • GIVE THANKS

“Give thanks in all circumstances, for this is God’s will for you in Christ Jesus.” 1 Thessalonians 5:18

Give Thanks

We are thankful to God for another year. He has brought the students to the classroom week after week. Some come once or twice, some for a season, and some remain throughout the school year. However, or how long they come isn’t a concern, we are thankful they came Thankful that our Lord Jesus drew them in. Thankful that He has provided a room on each of these campuses to for students and teacher to learn about the love of God through faith in Christ Jesus our Lord. Thankful for the Holy Spirit, who leads us and guides us to the needs of each campus. Thankful for the ministry with the football players at CVHS. The opportunity to share His love with those young men and coaches.

Thankful for our advisors that God the Father has chosen to minister alongside us. They are the ones that open their classrooms to Him and allow His ministers to come. We build relationships and work together to love and care for those God has given us. Thankful for the principals who welcome us and treat us as part of the staff. Thankful for the opportunities to pray with them and encourage them as God leads (and they encourage us). Thankful for all of you, for believing God with us for these students and this ministry. Thankful for your prayers, friendship, and support. Thankful for our pastors, who help us on these campuses. Pastors Fernando, Uriel, and Cheyla. They adhere to the Lord’s vision of sharing the love of God through faith in Jesus.

Every year we have the privilege to watch God work on these campuses. Not one year has ever been the same. He is always working and always leading. Thank You Father, for loving us, teaching us, and showing us how to minister to students Your way. We stand on Your promise that Your love... *“bears all things, believes all things, hopes all things, endures all things. Love never fails”* (1 Cor. 13:7-8a). We give You the praise!

Student Testimonies

Did you enjoy having Bible club on campus?

“Bible club helped me during hard days. - Indio HS 12th

“So many times where I was in such a bad place and didn’t know what to do. Coming to this club was like all those feelings just went away and I was being guided by the Lord on my side.” Indio HS

“Bible class opened my eyes and made me see that if I have God, I have everything. It also made me get closer to God and learned stuff about Him I didn’t know about Him. It was also nice to try something new.” Desert Mirage HS

“Key 2 Life was an amazing experience. Many memories and good times. At first, I was nervous because I had never really been a person to read the Bible and go to church but through the club, I was able to experience it.” Coachella Valley HS

How did this time help your personal relationship with God and Jesus?

"Club helped me grow in reading the word more and opening my heart more."-Indio HS

"It strengthened my relationship with the Lord reminding me that even in the good and the bad He is always there. You just need to take a step back and believe." Indio HS

"In all honesty this club has helped me reconnect with God. It has been a wonderful experience, and I have learned that when I read and memorize the Bible, I now have words of motivation to keep pushing me forward and not feed into the temptations of giving up. I really look forward to coming to Bible club every week and it was helpful to me mentally." La Familia HS

"I was able to learn new things and also see new things in a different perspective. I haven't joined any club that was similar to this, so everything was new to me. I am glad I joined and was able to connect with God while in a school setting." La Familia HS

"The most important thing I found in this Bible study was getting a better understand what God did and how God gave His love for me, as well as His life for me." Desert Mirage HS

Teaching update

We are thankful to God our Father for opening a door at CVHS to teach the past two years. Due to the CVUSD Budget crisis, my position at CVHS, and many throughout the district, have been terminated. We are trusting God for direction and are confident in Him to order the steps. It was truly a blessing to serve as a teacher and advisor to the Bible club at CVHS. The adventure with Jesus continues...
