

ALIVE IN CHRIST

MAY 2025 • BODY OF CHRIST

“For just as the body is one and has many parts, and all the parts of that body, though many, are one body, so also is Christ.”
1 Corinthians 12:12

One Church

Jesus the Head (Col. 1:18), and we are the body of Christ. Each part operates and flows in the Spirit under His direction. We are dependent on Him. Just as the body needs each part. Look up the autonomy of the eye, so many seen and unseen parts working together to create the physical eye. Yet the eye, is just a small part of the whole body. We are many, and yet one body. Together as His church, His kingdom advances in the earth. Every part doing their part, what God has called them to do. Our part is to minister to youth on campuses. Often, we minister to others, but God has assigned us to reach youth with the gospel of Jesus Christ.

Recently, a brother who helps with the ministry, shared about an opportunity to start a Bible Club at La Quinta HS. We talked and prayed about it. Later, I had talked with a teacher about the possibility of hosting a meeting in his classroom. As we talked, he shared that a Bible club has just started up a few months before. We trust God to guide us, and He did. As we talked, we decided not to start another Bible club. So, my friend, who coaches with the football team, will minister with those players after practice. He will also encourage those players to attend that Bible club on campus. Each part doing their part and God receiving the glory.

These past few years, God has brought faithful brothers from the church to participate with us in the campus ministry. When God had first called us to go on campuses, He instructed me to invite youth

pastors from the areas where those schools are located. In Indio, youth pastors from Indio, Coachella, Coachella, etc. The purpose is for Bible club students to have a place to worship God and youth ministers to reach their community.

God brought those youth pastors too. I am thankful to Him for Pastor Fernando, Uriel, and Cheyla who work together with us to share the gospel of our Lord Jesus. Recently, we were able to worship together in Coachella at a local park. Many churches were there in unity to worship Jesus. It was a beautiful time together and we give God our Father the praise.

Campus Ministry Reports

Pastor Fernando:

This year at CV Parsonage has been a season of change, new beginnings, and growth. It's been a year of stepping out of our comfort zones, relying fully on the guidance of the Holy Spirit, and learning as a team.

We've been blessed with the opportunity to serve and minister at CV High, where we've seen powerful spiritual growth among the students. Many have openly shared how God has been speaking into their lives, and it's been deeply encouraging to witness. We're incredibly grateful for the ongoing support of advisors Mr. Juarez and Mr. Gonzalez—their dedication has been essential to our mission.

At La Familia High, which is made up mostly of female students, the Gospel has been received with open hearts. The past couple of months have been especially challenging due to struggles with violence, substance abuse, and even loss of life. During these hardships, God continues to work through Ms. Martinez, whose love and determination are a light to the students.

At Desert Mirage, we've had the chance to share the Gospel with several students preparing for graduation. With the help of advisor Mr. Espejo, many students have been introduced to the truth of God's Word—even those who initially came to his classroom just to eat lunch or hang out. Across these three schools, we're celebrating about 10 students from Bible Club graduating this year. All of this is for the glory of God's Kingdom.

Pastor Uriel:

At the Jesus Loves You club at Indio High School; the students are learning about Jesus' love for the brokenhearted and the miracles Jesus performed (Book of John). The students are understanding and learning about the deep love God has for them in Jesus, as well how God today still does miracles (physical, emotional, and spiritual) in their lives. Also, they have learned what salvation in Jesus means and how they can have victorious lives in Jesus.

At Amistad, the students are learning that they are loved by God and that their lives are precious to their Creator. They are learning that God's unconditional love for them can be found in Jesus when they trust in Jesus as their Lord and Savior.

Thankful Service

We are thankful to God our Father for your faithfulness to Him and your partnership with us in reaching youth for Jesus. We give Him the praise! Together we are reaching campuses for His purpose and glory. We are thankful for all our advisors, students, and team. God bless you friends.

Alive in Christ,

Damon Juarez
