November 2025: God's Invitation

"How shall they preach unless they are sent? As it is written, 'How beautiful are the feet of those who preach the gospel of peace, who bring glad tidings of good things.'"

Hebrews 10:15

Campus Ministry

"Can I?" This was the response of a young man at Desert Mirage H.S. This past month, Pastor Fernando and I have been working together at Desert Mirage HS. The Lord is faithful. We did not have a classroom for first lunch and He provided one. He has provided young leaders, who are coming to learn and serve their campus. It has been a blessing to be back there and see many people that we have known throughout the years. During second lunch, I observed a student standing by the door and listening attentively while I was teaching. He was wearing dark clothes and hoodie. I couldn't really see his face because his hair covered half of it. When lunch was over, he was gone. The next week, I noticed he came back. I went over to introduce myself and talked with him. I asked him, "would you like to join us?' He replied, "Can I?" I said, "of course you can' and he joined the group. He has been coming ever since.

My second time back on campus at DMHS, I was sitting waiting for students to come by the library to direct them to our new room. One girl came by, and I asked if she was part of the club. She told me she was not. However, she asked about the club, so I told her about it. She came that day with a friend and has been coming since. Praise the Lord!

After that meeting, I thought how many people that are out there do not know that they are invited. I am reminded of the great banquet that the Lord made and how He sent His servants out. Some were too busy to come, so He said go into the streets and cities and invite them in. After that there was still room, so they went out again to the highways and byways. The Bible says, *"...compel them to come in, that my house may be filled"* (Luke 14:23). I love how the Lord works and how His love is always going out.

At La Familia HS, there is a young lady who has been coming to club regularly. She has mentioned that her parents are of another religion and they will not let her go to church. She mentioned when she turns eighteen that she wants to go to church. She has never heard of God's love and how he created us with a purpose. Pastor Cheyla and this young girl have really connected. We are believing God that when she can go to church, she has a connection with Pastor Cheyla. That was part of the vision of working with local churches for students in that community to have a place to grow in God's grace and love.

Teaching Update

A few weeks ago, my pastor came up to me and asked, "Do you want to be a teacher?" I paused and was surprised by the question. He shared how God had showed him that I wasn't believing God since I had been pink slipped. I admitted that I had become discouraged by all that went on. I had been applying but no opportunities opened. That day, I asked the

Lord's forgiveness. I trusted again that His purpose and path will come to pass. Last Tuesday, I received a message from CVUSD HR department. I returned the call, and they offered me that a position at Bobby Duke MS in Coachella. I started last Thursday and finished my first week. I am thankful that God, used my pastor, to encourage me in Him and His purpose. I am teaching 7th grade world history. His purpose, His plan, His glory! We give you the praise, Father!
