

ALIVE IN CHRIST

FEBRUARY 2026: UNITY IN JESUS

“There is one body and one Spirit, just as you were called in one hope of your calling; one Lord, one faith, one baptism, one God and Father of all, who is above all, and through all, and in you all.” Ephesians 4:4-6

One in God

We recently took some students on a trip. Every time I go to church or ministry events, I am reminded of the bigger picture: God’s kingdom. It is made up of many parts and each part is important. In God, we are never alone no matter what is going on. Elisha knew this when the Syrians surrounded his home. They were angry because God would tell Elisha where and when they were going to attack (God’s care). God would not allow that to happen. That day, Elisha’s servant saw a vast army surrounding his home, so he calls Elisha. His response, *“Do not fear, **for those who are with us are more than those who are with them**”* (2 King 6:16). What a powerful truth. Real reality. We are all serving the Lord, each ministry is a part of His kingdom, working together. Each doing their part faithfully. Paul knew this when he prayed for *“the whole family in heaven and earth...”* (Eph. 3:14). Be encouraged in the Lord today. We are His workmanship in His ministry, His kingdom! All glory and honor belong to Him! Thank you, Jesus.

Campus Ministry

This past month, 10 students from three different schools (Desert Mirage, Indio, and Coachella Valley) attended the Turn Your Campus training in Biola University. Also, two advisors and two adults accompanied them on this trip. The purpose of this trip is to bring our students together from the different clubs. They are a part of God’s kingdom and coming together strengthens the kingdom. They

also met hundreds more students at the event. These events a great reminder of how God unites His church to strengthen and encourage us in Him. We are not alone.

At the event, students begin all together in the auditorium for worship and the word. Then they go seminars of their choice, then lunch, more seminars, and finish together with worship and the word. The

seminars are intended to equip the students in God’s truth and evangelism. Some seminars: Creation v. evolution: Science glorifies God. Sharing Jesus with your Friends, In the Word, Stop Preaching and Start Listening, and so much more. Our students were very

excited to be there. Many of them became friends through our time together and were encourage in our Lord Jesus. Four of our students went forward to give their lives to Jesus. It was a beautiful time, and we thank God for providing this time together with

our students. Holy Spirit lead these students to be Your witness on their respected campuses.

Prayer Requests

- Pray for the security guards at La Familia HS.
- Pray against the spirit of death on the campus of Desert Mirage.
- Pray for wisdom and directions for our advisors on each campus.
- Pray for our student leadership that is developing. Pray that each student would seek God for wisdom to lead their clubs.
- Pray for the removal of spiritual blinders on campuses that students may receive the truth and be saved.

Thankful Service

Stella and I again give thanks to God for all of you. Thank you for being a blessing to the kingdom, the students, staff, and our team. We are a part of His bigger plan. The Lord bless you for your friendship and love. We love you.
