

ALIVE IN CHRIST

JUNE 2026: CRUCIFIED WITH CHRIST

“For I have been crucified with Christ; It is no longer I who live, but Christ who lives in Me...” Galatians 2:20

Campus Ministry

I asked the team to share what they learned from the Lord this year. Here are their responses.

Pastor Fernando:

“As we close this school year, one word continues to stand out for me after speaking with the students from the four clubs we work with: “Growth.” This was the most used word when students were asked to share their highlight of the year. They testified to how God has used the clubs to grow their personal relationship with Him and how it strengthened their courage to stand boldly and share the Gospel.

Truly, God has been faithful to the direction and promise He gave Pastor Damon, “I will bring them.” This word has been fulfilled before our eyes. Scripture reminds us, “We are only God’s servants through whom you believed the Good News. Each of us did the work the Lord gave us. One planted the seed, another watered it, but it was God who made it grow. It’s not important who does the planting, or who does the watering. What’s important is that God makes the seed grow.” 1Corinthians 3:6-8

Pastor Uriel:

“This year has been a great year in seeing God work in the lives at The Jesus Loves You club at Indio High. The students of Indio Bible Club are experiencing remarkable growth in their faith and knowledge of God's Word. Week after week, they come eager to learn, ask questions, and dig deeper

into Scripture — and the fruit of that hunger is evident. Through consistent teaching and meaningful discussion, these students are not just hearing the Bible — they are understanding it. They can speak to what they've learned, connect passages across the Old and New Testaments, and are learning to apply biblical truth to their everyday lives. Their ability to recall stories, verses, and themes reflects not just good memory, but genuine engagement with God's Word. The transformation happening in their hearts is a testament to the power of the Holy Spirit working in their lives.

The students of the Bible Club at Amistad School are on a meaningful journey, discovering the true importance of who Jesus is. Through their time together, they are learning that Jesus is not only a historical figure but a loving guide, friend, and Savior who cares deeply about every part of their lives. Through the biblical teachings at the Bible club, students are learning to trust Jesus wholeheartedly, knowing that placing their faith in Him brings hope, peace, and strength. By embracing Jesus in all aspects—whether in school, friendships, or family—they are growing in their understanding that His love and guidance provide a firm foundation for their lives.”

Pastor Damon:

This year I learned that God goes ahead of us wherever He sends us. At Bobby Duke M.S., the club was an answer to prayer from a teacher who had been praying for something like this at the school. Just the

other day, this same teacher came over to my class in the morning so excited because a student had given their life to Jesus that day. We rejoiced together. This teacher also agreed to being the advisor next year. I learned that God is at work and that He cares for these students and staff on this campus. He seeks out the lost by showing up at a school where people work and learn. He makes a way where there is no way. His plan, His purpose, His glory! I am thankful for His calling on these campuses. A place where I was once trouble, He restored to be a blessing. Forever grateful for His wonderful love, thank You, Jesus.

Thankful Service

We are thankful for all the campuses, staff, and advisors for partnering with us in sharing the gospel of our Lord Jesus. We are thankful to God for every student and conversation. Lord may every seed planted produces a heavenly crops for You. Thank you, Father for loving us eternally. Happy Father's Day to all our fathers. Stella and I are thankful to God for all of you. Thank you for your love, prayers, and support.

Alive in Christ,

Damon Juarez
